

Product Fact Sheet

INDEX 1.498 Hard Resin Lens Finished Single Vision

Refractive Index 1.498
 Abbé Value 58
 Specific Gravity 1.32
 Design flat curve
 Typ spherical
 Material RAV 7

INDEX 1.498 Hard Resin Lens
Finished Single Vision

satisloh[®]

HOAMING

Clean Coating

super hydrophobic from Satisloh
Top Coat type "Satin"
long life stability
outstanding dirt resistance
optional: Wrap Coat layer for anti torsion

Multi Coating

produced on Satisloh Box Coater
green 7 layer system
excellent durability
high AR performance
uniform AR color quality

Hard Coating

SDC Crystel Coat[®]
Primer Coat for high impact resistance
lens index matched
excellent hardness
non tintable

Color Coating

according to EN ISO AS ANSI
high sun UV 400 protection
individual customer colors
high lightfastness category
suitable for treatments and stock keeping
